Community Rules

The purpose of these Community Rules is to create a safe and attractive environment for social and harmonious living among owners and occupiers, in which they can maximise the enjoyment of their homes and the development, including the various common areas and facilities. These rules will maintain, preserve, enhance, and protect the property values and assets of the Community, and are given force by the Master Community Management / Developer or any other duly authorised party, which will enforce them uniformly. Should a viloation occur, an Enforcement Notice and applicable Violation Penalty will be issued.

OBSERVANCE

1.1 Observance

The duties and obligations imposed by these Community Rules on an owner of a unit / plot shall be observed not only by every owner but also by their tenants (occupiers), employees, agents, contractors, guests, invitees, lessees, licensees, and any other visitors.

1.2 Observance of higher authorities' rules

In addition to the duties and obligations imposed by these Community Rules, all owners, occupiers and others shall observe and are equally bound by any duties and obligations imposed by a higher authority, including:

a) The Master Community Management / Developer.

b) Any and all other relevant authorities.

c) The applicable laws of the Emirate of Dubai, United Arab Emirates.

1.3 Observance of Community Rules by Non-owners and Occupiers

a) A non-owner (or occupier) of a unit / plot shall take all reasonable steps to ensure that their employees, agents, contractors, guests, invitees, lessees, licensees, and any other visitors comply with these Community Rules and do not behave in a manner likely to interfere with any person's use and enjoyment of another unit or the common property or the Community common areas and their respective assets.

b) The owner / occupier of a unit / plot shall be liable to compensate the Master Community Management / Developer in respect of all damage to the common property and / or the Community common areas and its assets caused by their employees, agents, contractors, guests, invitees, tenants, licensees, and visitors. The Master Community Management / Developer may recover any such compensation as a debt from the owner / occupier of that unit / plot.

1.4 Enforcement of Community Rules

The Master Community Management / Developer and / or any other duly authorised party, must uniformly enforce the Community Rules in the face of any violation requiring the Master Community Management / Developer to:

a) Issue a Community Rules Enforcement Notice to the offending party.

b) Recover all costs of rectification and costs associated with the enforcement of the Community Rules, including all legal and debt recovery expenses against Master Community Service Charges towards the unit / plot occupied, owned or otherwise directly associated with the offending party.

c) Apply the maximum Monetary Penalty (fine) determined by the Relevant Authorities and Applicable Laws against the Unit occupied, owned or otherwise directly associated with the offending party;

d) Apply any other reasonable penalty or restriction determined by the relevant authorities and applicable laws against the unit / plot occupied, owned or otherwise directly associated with the offending party until such time as the offence ceases permanently.

e) Pursue whichever legal and practical means it deems necessary to preserve the interests of the Community.

1.5 Definitions

In these Community Rules the following words and expressions shall, unless the context requires otherwise, have the meanings hereby assigned to them:

Applicable Laws: all relevant legislation, regulations, orders, statutes, decrees, approvals, consents, licences, and ordinances, all as promulgated and amended from time to time by any:

a. Legislative, regulatory and administrative government authority of competent jurisdiction in the Emirate of Dubai or the United Arab Emirates.

b. Any courts of competent jurisdiction sitting in the Emirate of Dubai and elsewhere in the United Arab Emirates.

Asset: an item of tangible or intangible property other than real property, which is owned by the Developer.

Architectural Guidelines: certain architectural standards, landscaping standards and other general policies, procedures and criteria, with respect to home improvement, which may be adopted by the Developer from time to time.

Common Property: all open areas, services, facilities, roads, turns, crossroads, curbs, sikkas, central reservations, pavements, street lighting, signage, drainage systems / pipelines, water features / watercourses, parks / green areas / public areas / playgrounds and related equipment / furniture, safety / security facilities, utility and administrative buildings or areas, installations, improvements and common assets in the Community as determined in the Master Plan. Such areas do not form part of any individual owner's / occupier's unit / plot and are intended for use by all owners and the Master Community Management.

Community: the entire Community, which is to be divided into individual title and common property in accordance with the common area site plan or any amendment thereof and includes any and all extensions of the Community from time to time.

Community Rules: the rules as set out in this document that all owners and occupiers shall comply with and such further rules and regulations the Master Community Management / Developer may make from time to time in relation to the Master Community Declaration and Local regulations.

Community Site Plan: a formerly registered architectural plan, landscape architecture document, and a detailed engineering drawing, showing the buildings / units / plots, including their relevant individual boundaries and the common property, that form the Community.

Enforcement Notice: a formal written notice served by the Master Community Management / Developer on an offending owner or occupier identifying that a Community Rule has been violated by that owner or occupier. The purpose of this notice is to initiate corrective action that will stop each, every and any future violation. Failure to obey the terms of this notice can result in a monetary penalty.

Service Charge: the annual service charge for a unit / plot within the Community levied by the Master Community Management upon an owner / occupier pursuant to the Community Rules for his / her proportionate contribution towards the maintenance, management, security, upkeep, renewal, repair and replacement of assets in the common property of the Community, including without limiting the generality of the foregoing, the costs of water, electricity, equipment, and other expenses and the employment of contractors, employees, managers and workmen associated with these tasks plus the costs of administration.

Monetary penalty: a fine (to a maximum amount and in any way permissible by the applicable law) that results from the issuing of a further notice to an owner or occupier that has already received an Enforcement Notice identifying that the required corrective action has not taken place and that a penalty is being applied as approved by the relevant authority.

Occupier: any person occupying a unit / plot owned by an owner, including such owner's tenants, employees, lessees, agents, contractors, family members, guests, visitors and any owner / occupiers.

Owner: the person who is registered as the owner of a unit / plot on the appropriate register of the Land Department, including the Developer, in regards to any unsold units / plots.

Relevant authorities: any and all governing authorities within the Emirate of Dubai that have jurisdiction over the Community and its assets. These authorities include but are not limited to, the Local Municipality, the Real Estate Regulatory Agency (RERA), the Roads and Transport Authority, the Dubai Land Department, the Immigration Department, Dubai Civil Defence and DEWA.

Service provider: a contractor appointed by the Master Community Management / Developer on behalf of the Owners Committee, to provide services in respect to any common areas where the Master Community Management / Developer has rights of use. Or a contractor engaged by the owner / occupier of a unit / plot.

Special Levy: a one-time levy to cover a major expense that was not included in the annual budget or capital reserve fund.

Unit: an individual and uniquely owned residential unit / plot, retail establishment or store that has its boundary clearly defined in the Site Plan.

Utilities: potable and service water, electricity, storm water drains and pipelines, sewage pipelines, telecommunications connections and all other similar services commonly regarded as utilities together with all ancillary equipment, apparatus, valves, pipes, drains and conduits.
